## PREFATORY NOTE

Just as Lewis Carroll's Alice meandered through the wonderland of dreams, so the graduate recalls his high school adventures as though they were dreams, real though they seemed at the time. As Alice rollicked through her whimsical experiences of dreamland, so the student, often forgetful of an underlying seriousness, plays through the ups and downs of school life. The adventures of Alice form a delightful memory for all who read them, and so the high school days have their own corner in the hearts of all graduates.

Now, gentle reader, if you will once more view the past year, as Alice must have recalled her beautiful dream, you shall see again in memory those charming events of your own adventures in your very own wonderland.

And of the pure unclouded brow  
And dreaming eyes of wonder'  
Though time be fleet, and I and thou  
Are hilt a life asunder,  
Thy loving smile will surely hail  
The love gift of a fairy tale

I have not seen thy sunny face,  
Nor heard thy silver laughter  
No thought of me shall find a place  
In thy young life's hereafter  
Enough that now thou wilt not fail  
To listen to my fairy tale

'A tale begun in other days  
When summer seas were glowing  
A simple dream that served to time  
The rhythm of our rowing  
Whose echoes live in memory yet,  
Though envious years would say 'forget'

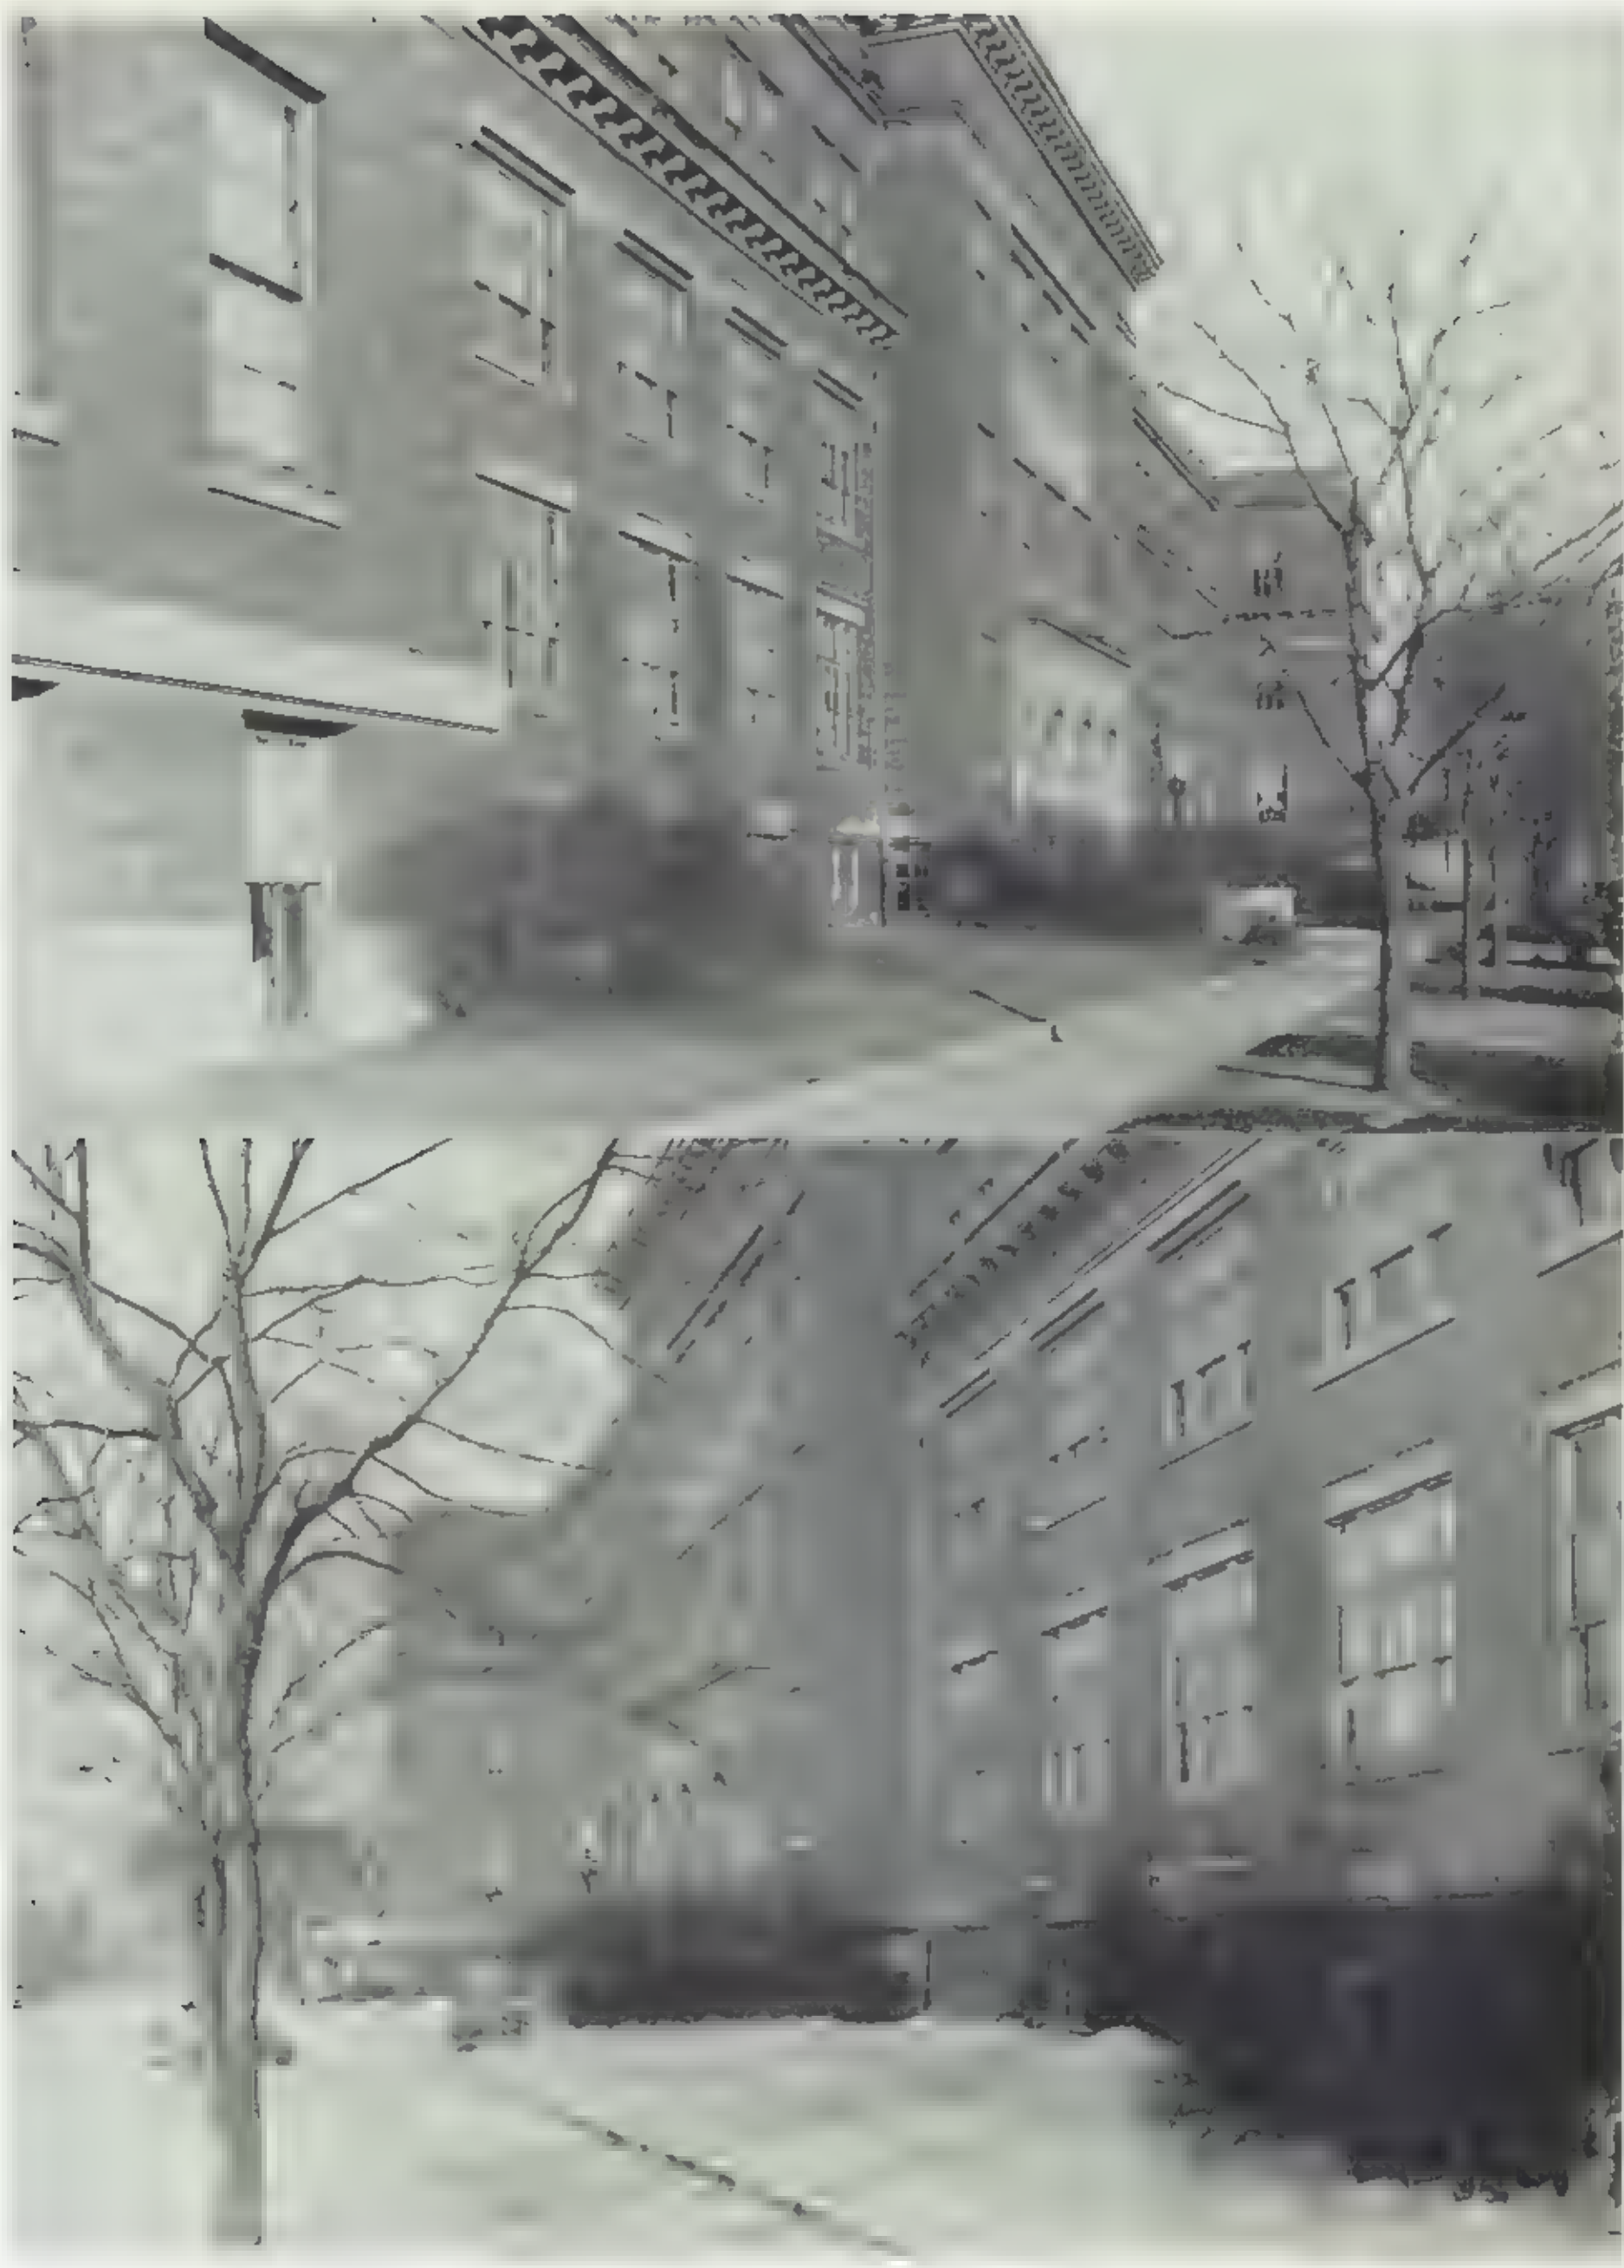

"Come, hearken then, ere voice of dread,  
With bitter tidings laden,  
Shall summon to unwelcome bed  
A melancholy maiden!  
We are but older children, dear,  
Who fret to find our bedtime near.

"Without, the frost, the blinding snow,  
The storm-wind's moody madness—  
Within, the firelight's ruddy glow,  
And childhood's nest of gladness.  
The magic words shall hold thee fast:  
Thou shalt not heed the raving blast.

"And, though the shadow of a sigh  
May tremble through the story,  
For 'happy summer days' gone by,  
And vanish'd summer days  
It shall not touch, with breath of bale,  
The pleasance of our fairy tale."

—Lewis Carroll.

## CHAPTER I

### "ADVICE FROM A CATERPILLAR"

Alice reflected, long after her encounter with the caterpillar (as we likewise recall our meetings with our teachers), that that worthy personage had not been such a bad worm; he was a trifle pompous, of course, and doubtless not a little querulous and sarcastic. But, by his sage advice to her concerning the beneficial properties of the mushroom in controlling her proportions, he had helped her to discover her limitations and potentialities. And, after all, one should not criticize too harshly the minor faults of a person so learned and extinguished (and Alice felt very glad that no one was listening, for that didn't seem at all the right word).

Mr. Leitner, Mr. Mattocks, Mr. Krumm, Mr. Hart, Mr. McGill, Mr. Beebe, Mr. Jarrett, Mr. Gardner, Mr. Schickler, Mr. Saarn, Mr. Abell, Mr. Chaddock, Mr. Pridcaux, Mr. Kirkland

## BOARD OF EDUCATION

Elgin is very proud of her school system; and the pride she takes in it is very justifiable, for the system has maintained a high standard in comparison with other schools.

Responsible for much of the advancement made is the school board, which has accomplished its business so efficiently that the average student is hardly aware of the machinery which smoothes his path. The board is entirely responsible for the routine work of hiring faculty, selection of text books, controlling school property, and handling school finances. Elgin is fortunate in these trying days to be without financial difficulty in the field of education.

In order to cut the membership of the board from 12 to 9 members besides the president, only two men were elected this term to take the place of three retiring members. Messrs. Ralph E. Abell, Lynn McGill, and Paul Schickler are retiring this spring, and will be succeeded by Messrs. Ray Geister and Charles Flora. Dr. O. C. Pridcaux, also a retiring member, was re-elected for another three-year term.

### ALICE GROWING

**A**LICE alternately ate the remarkable cakes and drank from the bottle labelled, singularly enough, "Drink Me." She grew alternately large and small. Sometimes she was able to reach the door leading into the beautiful garden, but she had always forgotten the key. It was only after a long period of striving and experimenting that she succeeded in attaining the correct height and entering the beautiful garden.

Likewise, the underclassmen of the Elgin High School experience a period of adjustment and preparation before becoming high school seniors.

## JUNIOR CLASS HISTORY

In the spring of 1931, 146 freshmen entered Highschoolland. Although many were very "green," they soon learned the ways of high school life, entering into all activities and maintaining a good scholastic record. Donna Folkman and Robert Fritts were chosen members of the Student Council.

In September 339 more freshmen entered to form the complete junior class of 485.

In their sophomore year Robert Geister, Helen Nelson, Junior Pryde, and George Soper served on the Student Council. Other members won honors in the field of athletics, music, and scholarship; and the whole class continued to back all school enterprises.

The class, on entering its junior year, chose as president, Alfred Kirkland, George Goedert as vice president, and Jean Yourd as secretary. Junior Pryde, Robert Goldmacher, Helen Nelson, and Jean Yourd were the Council representatives. All members of the class made rapid progress in school life, winning farther honors in music, scholarship, and athletics.

In the second semester came the 1935 junior class play, "Tom Sawyer." The title part was played by Roy Swain, with Pauline Gifford as Becky Thatcher. Scenery, lighting, and sound effects were splendid, and the whole play was a grand success.

The year ended with the Prom. Departing from custom, the Juniors and Seniors combined their proms, having only one. Pooling financial resources, they were able to secure a much finer orchestra and have a party grander and better in every way.

So the Class of '35, with such an auspicious introduction into the wonderland of high school, is anticipating its last year and hoping to match or exceed in accomplishment all the great classes which have preceded it.

## CHAPTER III

### ALICE GROWN

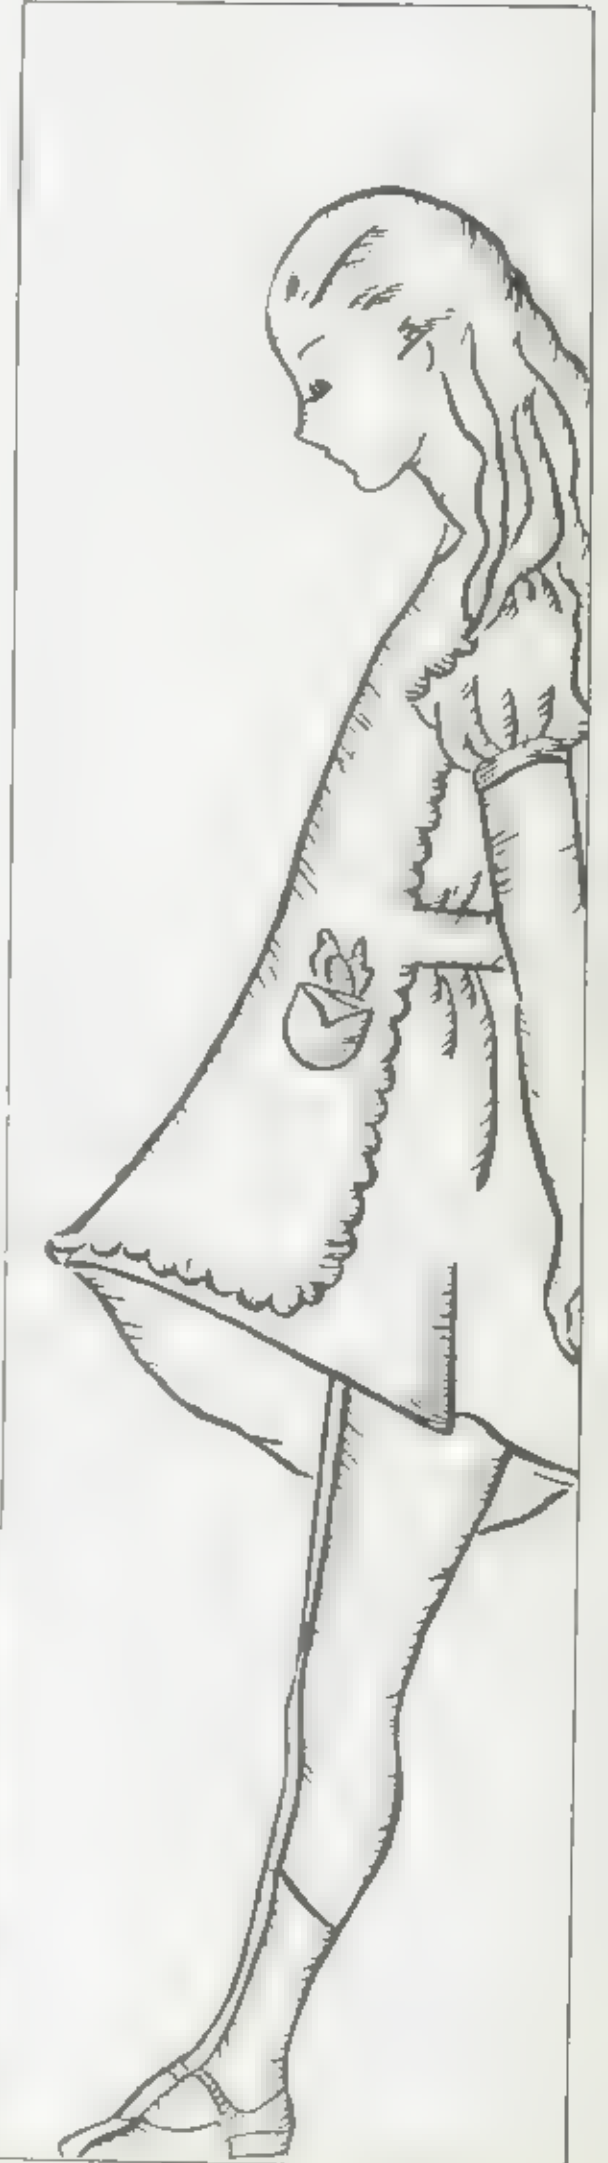

ALICE found that the inhabitants of the garden were amusing people—in spite of their questionable grammar (in the case of the Gryphon), their casual treatment of animals (as exemplified by the redoubtable Duchess), and the hypersensitiveness of some of their number, notably the Mock Turtle. But she enjoyed her many intriguing adventures, just the same.

To an equal degree students find opportunities for achievement, enjoyment, and leadership all the way through high school, especially in their senior year.

The Class of '34 had begun its adventures in High-schoolland by electing to the Student Council Jean Farmiloe, Robert Kramer, Lois Powell, and Robert Sterrick in their freshman year, and Jean Farmiloe, Pruden Ballard, Janet Hawkins, and Carol Seymour in their sophomore year. At this early date a high standard in scholarship, music, athletics, and other school activities had been set.

Under the leadership of Ralph Leach, president, John Tobin, vice-president, and Alice Glashagel, secretary, the class's junior year had passed successfully, reaching its peak in the colorful prom. Student Council members had been Wilma Hahne, Robert Sterrick, Earl Marquis, and Verne Pate.

To lead its last year of adventure the Class chose William Brown, Gareth Barnes, and Mary Bennorth. Robert Kramer, president of the Student Council, was capably assisted by Neill Emmons, Ralph Leach, John Tobin, and Gregory Wellnitz. The prominence of its members in all activities has made the year a happy and busy one, climaxed by a combined junior-senior prom.

## CHAPTER IV

### ON WITH THE HEADS'

**I**N THE Wonderland kingdom it was customary for the Queen of Hearts to order the beheading of distinguished persons; in opposite manner we "head" the leaders in scholastic attainment of the Elgin High School. These students have maintained superior standards in academic subjects. The importance of their contribution to the high achievements and renown of the high school may not be minimized. It is worthy of the most distinguished recognition.

## STUDENT COUNCIL

President \_\_\_\_\_ Robert Kramer  
 Vice President \_\_\_\_\_ Robert Geldmacher  
 Secretary \_\_\_\_\_ Jean Yourd  
 Adviser \_\_\_\_\_ Miss Pratt

"The purpose of the Student Council shall be to provide an effective means through which the Student Body may express itself and through which it may cooperate with the faculty in any way for the good of the school."

With this in mind the Student Council began another school year. Members supervised halls and lockers, insured the safety of students' possessions during classes. They regulated stair traffic to reduce the confusion between classes, and they checked people leaving the building during the eighth period to maintain quiet for those who were still working.

Besides these routine duties, the Council presented for the enjoyment and education of the student body a fine Lyceum Course of six numbers: Zellner, character artist, presented the first program of the course, portraying for us characters of history, romance and the scriptures. He was followed, a month later, by Howard Cleaves, naturalist, writer, explorer, and photographer, who presented an illustrated lecture about the South Seas. Other programs of the course were presented by George F. Morse, zoologist and authority on animals, Geoffrey O'Hara, composer and musical authority, Mardont, a follower and student of the great magician, Houdini; and Barnes, with his trained dogs, the dog stars of Hollywood.

## CHAPTER V

### "TWEEDLEDUM AND TWEEDLEDEE"

THE amiable cavortings of Tweedledum and Tweedledee, including their adventures with the chimney pot, provided innocent amusement for Alice during her stay in the Wonderland; in a like manner the dramatic organizations of the Elgin High School present worthy examples of dramatic art for the enjoyment of the student body. Besides the regular activities of the individual dramatic organizations, junior and senior class plays are presented each year, as well as elaborate programs sponsored by official and scholastic groups.

## CHAPTER VI

### A ROYAL CLASH

THE Wonderland was frequently enlivened with spirited disputes between the King and Queen of Hearts, the most frequent subject being that of decapitation; to almost as great a degree, the Elgin High School is entertained and instructed with official and unofficial debates between groups of students participating in forensic activities, which are frequently extended to participation in interscholastic and other contests.

## CHAPTER VII

### "THE LOOKING GLASS HOUSE"

**T**HROUGH the Looking Glass Alice saw the room she was used to, only everything looked a trifle queer—more intriguing, more unusual. She looked and looked, discovering that, after all, everything was familiar; and as she entered and became involved in the happenings of the strange place, well known things kept bobbing up.

So in the Mirror and the Maroon, official school publications, does one find familiar faces and familiar activities—sometimes things one had forgotten and even occasionally in queer and unfamiliar situations.

## PUBLICATIONS BOARD

Alice found several changes in lesson land this year, only one of which was the change in administration of the journalistic enterprises. Both Mirror and Maroon are now governed by the new Publications Board, which takes the place of the former Mirror Board. Thus the policies of the publications are more unified.

The Board decides the policies of all school publications, passes on expenditures, and sponsors the annual Comedy Concert. Both staffs have found the new arrangement to be much more satisfactory than formerly.

## CHAPTER VIII

### "A SONG, PLEASE"

THE Mock Turtle, between sobs and gulps, described with rapture the happy hours which he had spent under his remarkable teacher, the Conger Lel, who had offered instruction in such intriguing subjects as "Reeling, Writhing, and Fainting in Coils."

No less vividly do the students of music in Elgin High School recall the entertainment and instruction derived from the pursuit of some one of the musical subjects . . . Harmony, Dissent, Ornamentation, Composure, and Embarrassment. . . . An opportunity is offered to every interested student to participate in some musical activity, whether vocal, instrumental, or academic.

## IN-AND-ABOUT CHICAGO MUSIC FESTIVAL

Because of its tremendous success last year, the "In and Ab out Chicago Music Festival" was again presented in two concerts this spring. The first of these was given at the Auditorium Theatre on April 11 and the second on April 22 at J. Sterling Morton High School at Cicero. The orchestra was directed by William D. Revell, music supervisor at Hobart, Indiana, and guest conductor was Walter Damrosch, dean of American musicians. The chorus was under the direction of R. Lee Osburn of Maywood, and the guest conductor, Sir Hugh S. Robertson, who directed "Celtic Hymns," his own composition. The opportunity of singing and playing under such great artists was given twelve instrumentalists from Elgin and thirty F. H. S. glee club members.

## CHAPTER IX

### MAD TEA PARTIES

**T**HE Mad Tea Party, described by Alice as the "stupidest I ever was at in my life," was a gathering both instructive and entertaining—after a fashion; equally entertaining, although more sedate, are the meetings of the academic and social clubs of Elgin High School. These clubs are in many cases affiliated, some with the regular classes, others with the athletic department, still others with interscholastic organizations. At the regular meetings, subjects of the widest variety are discussed, such as Elements and Examinations and Earliness. . . .

## CHAPTER X

### THE KING'S CROQUET GROUNDS

WITH her flamingo tucked under her arm, Alice roved about the croquet grounds and watched the players gallantly attempting to overcome the obstacles of elusive hedgehogs, wandering wickets, and flaccid flamingoes.

In Highschooland comparable difficulties are faced courageously: bouncing footballs, elusive baskets, and haphazard hurdles demand the spirit of good sportsmanship and the maintenance of the high standards E. H. S. has always upheld.

## HEAVYWEIGHT FOOTBALL

Elgin opened its 1933 football season with a scoreless tie with Morton High School, of Cicero. Elgin failed to score several times due to incomplete passes in the end zone. The next game was also a tie, 6 to 6, with an always formidable opponent, Maine Township High, but with the Adamsmen showing a remarkable improvement over the previous game. "Cy" Pate scored Elgin's touchdown. Elgin succumbed to Proviso in the last pre-season game by a score of 13-0.

The first conference game was played with Rockford, and the Elginites gained a moral victory by achieving a 14-14 tie. A heartbreaking last-minute drive netted a

6-0 victory for the Joliet eleven over an Elgin team that fought like demons all the way. Led by McMahon, the Adamsmen fought a losing but stubbornly contested battle with Freeport, the final score being 13-0 in favor of the Pretzels. Then at last the offense clicked, and a strong West Aurora eleven was downed 10 to 7. McMahon was again the spark plug of the Elgin team.

COACH ADAMS

The most thrilling and wildly exciting game of the season was witnessed by a lucky few at East Aurora; where, despite the back-to-the-wall defense of the Ma-

rooms, the Red-and-Black heavies managed after several attempts to make a touchdown. Immediate retaliation was made; but the extra point was lost, and the score remained 7 to 6 until the final gun.

In a post season contest the Adams contingent easily demonstrated its superiority over Dundee by a score of 13-0. Never for one moment was the contest in doubt.

Three Maroon men were elected to positions on the All Conference Eleven: "Big Bill" McMahon, an almost unanimous choice for half-back; Mauller, a scrappy guard; and Ed Getsch, once before an All-Conference selection. A well-rounded and fairly successful season was ended by electing Bud Geister to succeed Captain Bob Sterricker.

## LIGHTWEIGHT FOOTBALL

Champs again! After a lapse of one year the Maroonettes have returned to the top of the conference as champions of the Big Six for the sixth time in the last seven years of competition. During this seven year period they have lost only two games, both to Rockford, for one of the best records of football teams in the country.

Although they were tied twice in the 1933 season, it was one grand year for the football warriors and fans. On September 15 they opened the season by taking a 13-to-0 clash over Morton. Not content with the job the Spanish did at Manila, Elgin did twice as well and sunk Maine with a torpedo in the form of an 18-to-9 defeat the following Friday night. Exhibiting a fine running and passing attack, the high stepping Maroonettes won a well earned victory. They made it three straight the next week, squashing Proviso of Maywood 31 to 0. It was those kick-blocking linemen who stood out both on offense and defense in giving Elgin its well-earned victory.

COACH ROGGEN

First conference game, and the foe, Rockford—Boy, what a combination! With revenge in their hearts the ponies ran up a 19-to-9 score to avenge last year's defeat at the hands of the Rablets and to win their first conference engagement.

Joliet 6—Elgin 6 in a punting duel. Elgin came to a quick stop, and a dazed and broken team went home holders of an unexpected tie with Joliet.

Quickly recovering from the hard fought game at Joliet, they traveled to Freeport on the night of October 20. For the first time in seven years they entered the game as underdogs. However, what did that mean to an up-and-coming light-

weight squad? Exhibiting a dazzling running and passing attack, they turned back the crestfallen Freeport lights 19 to 6. It was a perfect attack led by a bunch of roaring linemen who bowled over the speedy opposing team to lead their mates to victory.

They easily took West Aurora in their next conference tilt 13 to 0. In their last conference game of the season they clinched the championship, although held to a 0 to 0 tie by a fighting East Aurora team. Earl Marquis, probably the best back in the conference, dashed 87 yards to a touchdown, but it went for naught as the referee called back and penalized Elgin for clipping.

With the championship safely tucked under their belts they engaged their arch-rivals, Dundee, in a post-season game and came out ahead 14 to 0. Every man on the squad saw action in this game, which closed down the lid on the 1933 season.

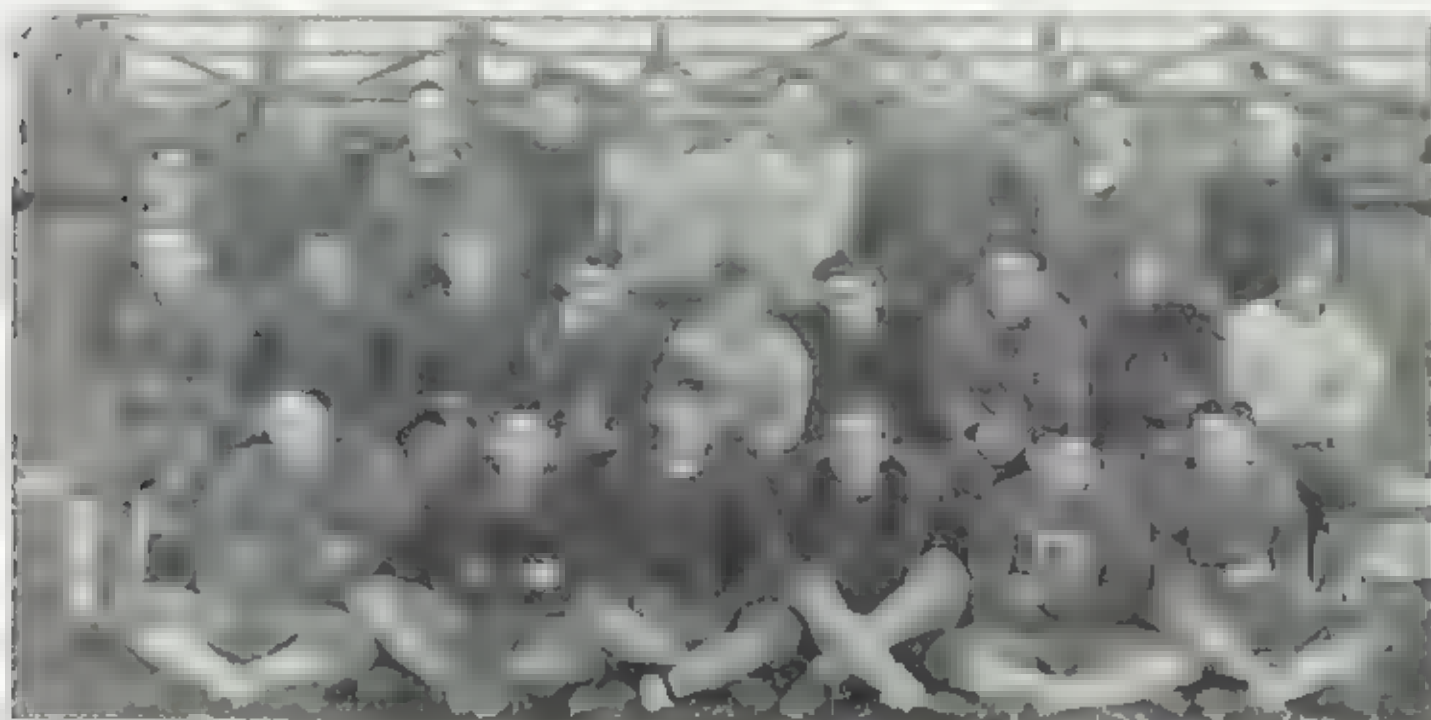

Before the Rockford game the squad had elected Bill Cordogian and Earl Marquis to lead them through the season. Under the supervision of Coach Arthur Roggen, a truly great coach, the boys may call the year an extremely successful season. Five men were placed on the All Conference team. They were Burlingame, Adams, Larson, Born, and Marquis. Next year Coach Roggen will lose Burlingame, Struve, Larson, Cahill, Born, Marquis, Cordogian, Kienlen, and Zornow, all great players.

## HEAVYWEIGHT BASKETBALL

The heavyweight basketball squad has an enviable record. The team earned second place in the Big Six, and won a third place district rating, ending the season with a total of 16 victories against 5 defeats. The only two conference losses were administered by Joliet and Freeport. The other three were by York, Alumni, and Huntley. Some of the notable triumphs were the 74-17 drubbing given to Plato Center, the 52-27 whipping given to Freeport, and a 42-28 victory over East Aurora.

Among a number of hard fought battles, perhaps the most breath-taking was the one with Joliet at Elgin. The game was one of the fastest and closest in the conference, with Elgin finally nosing out the Millsmen by two points.

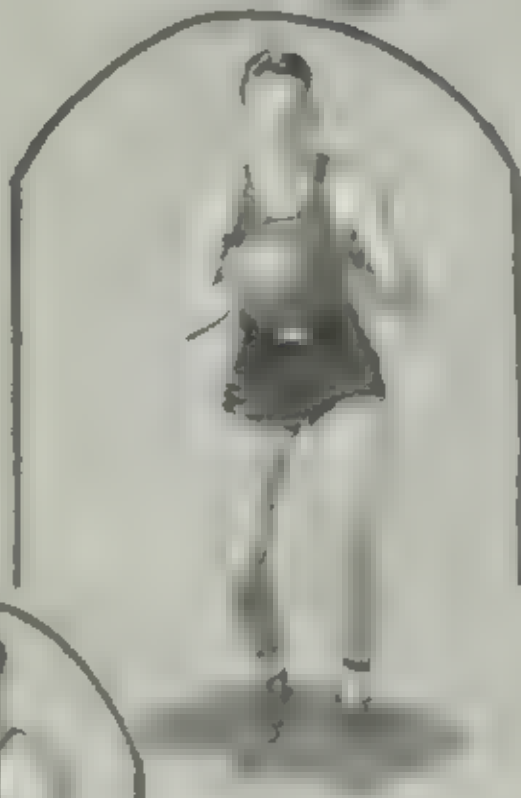

Graf, new Big Six scoring champ, and Pate, fourth in the race for high point honors, received berths on the All-Conference Team. McMahon, sixth in the list of scorers, received honorable mention.

A goodly group of basketballers will return next fall. Geister, this season's captain; Junior Graf, who set a new conference scoring record of 105 points; Thisell; Ablemann, Hughes; and Cahill. With such a nucleus the next season will be sure to produce a team of champions.

## LIGHTWEIGHT BASKETBALL

This year Coach Roggen put an entirely green team on the court. As only one experienced man returned, he undertook the task of making a typical Elgin, "terror of the Big Six" team. The season consisted of sixteen games. It was opened at Crystal Lake, from which game the Maroonettes emerged 33 to 11 to the good. The next game was with York. The lights won in the last minute of play on a free throw by Cordogian. The first home game was with Grayville, Indiana. Our boys also emerged from this game easy victors by a 40-to-28 score.

The conference was opened at Joliet with the Maroonettes getting their first taste of defeat at the hands of Wykot's boys, 24 to 25. Following their first defeat was another one at the hands of the Alumni, 34 to 27. They also took it on the chin, 37 to 39, from the Pretzel Benders from Freeport. A revamped team fell in the closing minutes of play, and West Aurora whipped them 29 to 24. It had to stop some time, so the boys ended their losing streak by defeating Rockford 25 to 24. This game was won by a bucket in the last minute of play by Wayne Conner. Old rivalry was renewed when Elgin took over Dundee in the last minute of play, 23 to 21, by a long shot by Bob O'Leary on Dundee's own floor. They then administered a 30-

to-23 defeat to the fellows from East High. This, as were practically all their wins, was one from which they came out from behind to grab a victory.

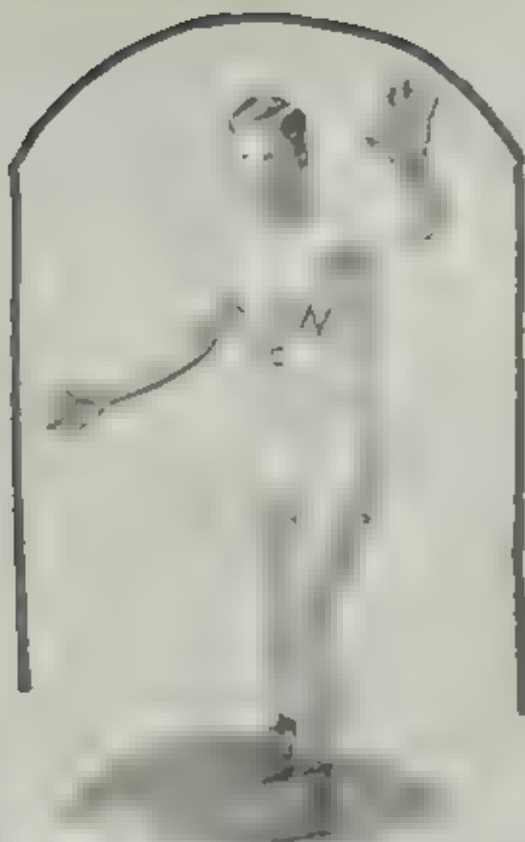

Revenge! Joliet in our gym before a capacity house! Both teams played a rough and tumble game, but it was crammed with thrills. With too short a time left to write about, Joliet tied the score up, and the teams went into an overtime period. Elgin emerged victorious, 30 to 29, on a free throw by Thiel. A heart-breaker was taken from Freeport on their own floor, 16 to 14, the next week-end. Walters sank a basket in the last minute for the victory. They evened the score the next week with West High, defeating them 37 to 32. After these six straight wins the boys were taken over by Rockford on our floor, 29 to 24. Inability to get the ball in the basket lost the game for them. The last conference game was a thriller. The Roggenmen won, 30 to 29, over the East High five. The season was formally closed with a 38-to-22 defeat administered to Dundee on our floor.

This squad is one the school should be proud of. There was no individual star; they all were stars. Joliet took both championships, but both teams received a beating from Elgin. Elgin finished in second place. Wayne Conner was awarded All-Conference center. Through graduation Coach Roggen will lose five good players: Honorary Captain Bob O'Leary, Bill Cordogan, "Flash" Marquis, "Bud" Zornow and Paul Windau.

## TENNIS

Despite the fact that Coach Gil Renner had no lettermen returning as a nucleus upon which to base his hopes this year, the prospects seem very bright for the Elgin netmen.

In the first meet with Riverside, a highly capable and experienced team, the Elgin squad came through with a draw. The chances for winning the district meet at Rockford, May 5, are good, especially in the singles department. At time of going to press the schedule is not complete, but Elgin expects to compete in approximately seven or eight meets.

## VARSIITY GOLF

With one of the best golf teams in the history of the school, Elgin High's veteran quartet of masher-wielders jumped to the front in the season of '33 and '34 as one of the leading prep teams in northern Illinois. Under the direction of Coach Gil Renner they have built up an impressive record of victories coined in county, district, and state tourneys.

Early in the first semester the quartet was battling in defense of their Kane County Championship. After the smoke of battle had cleared, Elgin led the pack with a low total of 325 strokes, paced by Johnny Thisell, who carried off individual honors. It was the lowest team score ever shot and marked the third consecutive time the boys have brought home the trophy.

## INTRAMURAL GOLF

The annual fall golf tournaments run off in two classes again attracted a large number of entries. Varsity men and experienced players competed in Class A; while the Class B tournament, composed mainly of underclassmen, was the scene of a number of thrilling matches. These tournaments help to select the squads for the following year and are important in this respect.

## TRACK

The spring of the year brings about track. This year the track team is stronger than last year's. In the field events the gain is very noticeable. Earl Marquis is a sure point winner in the broad jump. Cy Pate is also a sure point winner in the javelin throw. Wayne Conner and "Woody" Bover are also good for points in the pole vault. Mr. Kraft, who coaches these events, states that this year's team is the strongest yet in the field events.

In the running events Mr. Roggen's squad is about the same as the previous year's. The squad is green. But who knows, there may be a star hiding in the group not yet discovered.

The track schedule was started at an indoor meet in Oak Park. Elgin did not place in any event but gained some very valuable experience. The next meet was also indoors but took place at Naperville. Elgin emerged with fifteen points. The rest of the schedule, which is to be followed after the book goes to the printer, is:

- April 14 Glenbard, here
- 21 E. Aurora, here
- 28 Rockford, here
- May 5 County meet at Batavia
- 12 District meet
- 19 State Finals
- 26 Big Six, here

## CHAPTER XI

### "THE QUEEN'S CROQUET GROUND"

UNLIKE Alice of Wonderland, who went to her first game of croquet completely ignorant of the methods of playing but serenely confident that she would find instructions "written up somewhere," the participants in girls' athletics contribute to their playing enthusiasm for sports, skill in their chosen field of activity, and a thorough knowledge of the technique of the game. Moreover, their equipment, not being composed of live flamingoes and hedgehogs, seldom runs away, their playing is not overly erratic, and, unlike the Duchess and the Queen of Hearts, they observe rules carefully.

## "E" AWARDS

"E" Awards are given to girls who have made the required number of points by participating in various athletics. Besides the local letters, state awards and emblems are given to those who have acquired 1600 and 2000 points.

## BASKET SHOOTING

The Basket-shooting contest was held on March 19. This is a state contest, sponsored by the Illinois League of High School girls Athletic Associations. Our girls were awarded first place in the district.

## TENNIS

The girls were very successful in tennis this year, winning 21 out of 28 matches played. Such teams as Oak Park, Barrington, East Aurora, and Mooseheart are representative of the competition encountered.

## HOCKEY

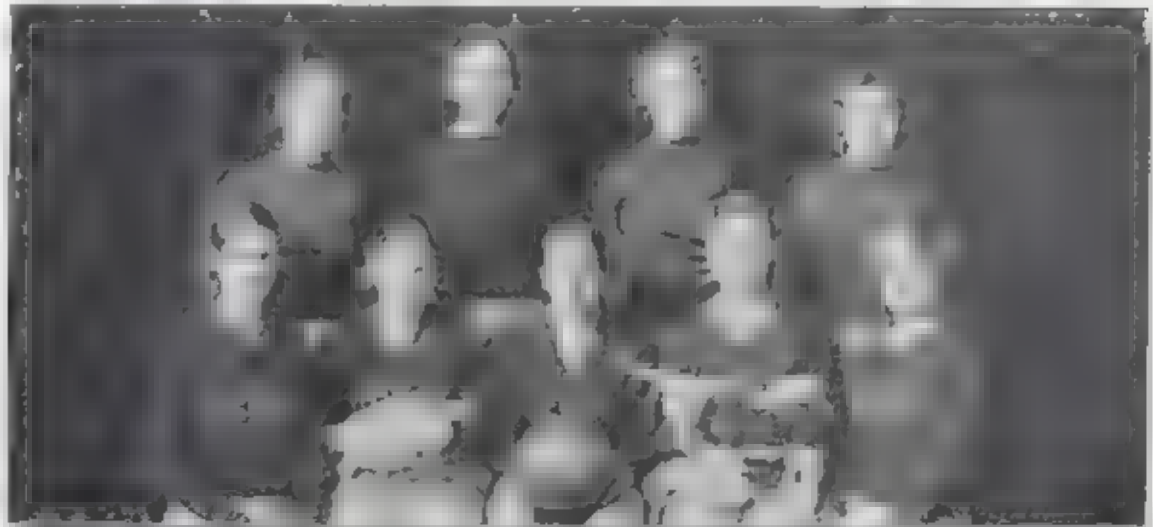

Over eighty girls participated in the hockey tournament which is the major fall activity. The junior team won the inter-class games by defeating the seniors.

## BASKETBALL

Inter-class basketball attracted many girls from each class. Interesting and exciting games were played, the senior girls winning the title with the juniors as runners-up

## VOLLEY BALL

Volley ball is an activity which found much favor this year with the girls. Teams were formed and a very interesting inter-gym-class tournament was held.

## BASEBALL

Baseball is not an intra-mural sport, but is much enjoyed by all the girls, especially in the spring. About 200 girls participated this year, at the field and in the gym-classes, where regular teams are organized.

## PLAY DAYS

E. H. S. girls were hostesses in January at a basketball play day here with East and West Aurora as guests. Seventy-five girls were included in the games.

Last fall twenty-five Elgin girls went to East Aurora for a play day of speedball, hockey, and basketball.

### PUTTING THE PIECES TOGETHER

THE redoubtable Humpty-Dumpty was renowned for the amusement which he afforded the wonderland kingdom with his periodic tumbles from the wall. His many pieces, put carefully together by the brave king's men, made him whole and jolly again.

School life is composed of many pieces; and when all are put together, the whole is both as entertaining and as inspiring as Alice's Humpty was.

## THE MAY FESTIVAL

Not a little of the glamour which is inevitably associated with the annual May Festival may be due to the many centuries-old tradition which it inherits. Even more definitely, the May Festival provides a welcome note of color to enliven the last drab days of the school year.

Although students of all classes participate in the May Festival, it is a particularly senior project. The May Queen and her twelve maids of honor are chosen by popular vote from among the feminine members of the Senior Class.

## GOOD-WILL PROGRAMS

One of the assembly programs heralded months before is the Rockford-Elgin Good Will tour. This exchange has become more and more interesting, until now it is regarded as something of a milestone in the school year. These assemblies are the one link between the ordinary students who are not in interscholastic competition with the other school. Elgin is proud to be associated with Rockford in such an enterprise and would endorse joining the whole Big Six in like manner.
